WHY CHOOSE CHAPMAN?

Founded in 2010, we're one of the newer manufacturers in the machinery world. We often get asked by potential customers why we think our machinery is better than the existing providers, so here are a few reasons why we're great to deal with.

2 YEAR WARRANTY

To get to number 1 we strive to produce high quality machinery, and stand by it with an industry leading 2 year warranty

MANUFACTURED IN GREAT BRITAIN

We are certified Made In Britain members and all of our products are proudly manufactured and hand built at our base in Devon, UK.

WE INNOVATE

We proudly design each and every one of our machines to feature innovative, unique features, to give you the best user experience.

PARTS

Need a spare part? We can supply spare parts for all Chapman machines, many available from stock ready for immediate dispatch. You can find the required part number on the product parts drawing in the relevant product download section of our website
www.chapman.co.uk.

You can order spare parts direct from www.chapman.co.uk/spares or via your local distributor. Alternatively, you can contact us direct on the details below during office hours of 8-5pm Mon-Thurs, 8-2:30pm Friday

E: sales@chapman.co.uk
T: 01288 308 149

PRICES

All prices are exclusive of applicable taxes / VAT. Whilst we will endeavour to hold these prices, we reserve the right to change specification and pricing without prior notice in line with unforeseen movement in exchange rates, supplier component price rises, inward / outward tariffs etc. Delivery is included for machine orders within Mainland UK and Ireland, although some areas (for example Scottish Islands) may incur delivery surcharges. Risk passes upon delivery, title for goods remains with Chapman Machinery Ltd until such time as cleared payment is received in full. Trade pricing is given in accordance with our Dealer Sales Terms, and by purchasing parts or products at Trade Pricing you are agreeing to be bound by these terms. Breaches of these terms may result in your trade account being suspended. UK orders must be made in pound sterling unless agreed otherwise in writing by Chapman Machinery Ltd.
